

PASI FAA Form 8400-6

The Pre-application Statement of Intent (PASI), [FAA Form 8400-6](#) should be revised and re-submitted with the PAC if any changes have occurred since the initial submission. The completed PASI denotes intent by the applicant to start the certification process. It also allows the FAA to plan activities and prepare to commit resources.

For additional information and guidance see [AC120-49 Appendix 1](#), Instructions for Completing FAA Form 8400-6 Pre-application Statement of Intent (PASI).
